Main Barn Canopy

The main barn canopy is an popular addition to Wick Farm, consisting of a central ring with strings of warm fairy lights dropping perfectly to the outside edges of the barn.

The canopy is fully dimmable so light levels can be adjusted to suit the entire day, keeping the full effect into the evening without being too bright.

Our custom design allows for the central hanging of floral decor, mirror balls and other decorations.

Please note: The lower barn lighting, fairy lights around the beams in the main barn, outside arches and marquee lighting is all permanently installed and does not require booking.

Total cost £250

Mirror ball

Large rotating mirror ball in gold or traditional silver, with warm white pin spot.

Additional £90
